Writers Block

👁 45 ✓ 4 ★ 4

Chapter 1 by Totally Olive

We all get this at least once in our writing careers. That's right. It's writers block , when you don't know or have an idea to write about. It sucks. Not knowing what to write about is like a curse.

Chapter 2 by Brock Thompson

Well, this story is about a boy who had writer's block all the time. He even had writer's block when he was typing.

He also had writer's block when he went to the bathroom, but that's not important.

Chapter 3 by SaintSayaka

See, his thoughts were quite clean and organized in his head. Tales of far away princess and bandits and heroes played softly in the creases of his mind, taunting him with their ingenuity. But when pen came to paper, Tyler Lewis, fourteen years of ages, could not write a single thing. The boy was miserable. How could he possibly call himself a writer when he hadn't written an original word in nine years?

But fate is quick to change. Today, you can turn your story into a novel. Take a turn for the better.

It all started with a book.
